### RICE-EWAN

Wedding of Two Prominent Young People Solemnized At Mill Creek Christian Church Wednesday.

A wedding of great beauty as well as prominence, took place Wednesday afternoon at the Mill Creek Christian church, when Miss Julia Duval Rice became the wife of Mr. James Verner Ewan before an audience of friends that crowded the building to capacity.

Miss Rice is the daughter of County Judge and Mrs. W. H. Rice of the county, a most beautiful and accomplished young lady and a social favorite. Mr. Ewan is a son of Mr. Avery Ewan, and a prominent farmer of Fleming county.

The church altar was a thing of beauty, being artistically decorated with ferns, smilax and carnations, the color scheme of pink and white being carried throughout, and as the bride party stood grouped about, the rays of many cathedral candles spreading their light, made a most beautiful picture.

Promptly at 1 o'clock the musical program was begun by Mrs. Marvin Early and Mrs. Charles Williams sang sweetly "Till the Sands of the Desert Grow Cold." At the approach of the wedding party Lohengrin's wedding march was beautifully played.

First down the left aisle came Miss Mary Frances Key beautifully gowned in pale blue silk draped in georgette crepe en train, carrying a shower of pink carnations, and down the right aisle the minister, Rev. J. L. Finnell. Then down the left aisle came Miss Elizabeth Leedom Walker, cousin of the bride, tastefully gowned in sage green georgette crepe and chiffon, with pan velvet train, carrying a shower of pink carnations; and across in the right aisle Miss Fleming Rice, also a cousin of the bride. Then followed down the left aisle the matron-of-honor, Mrs. Preston Pickett, beautifully gowned in chiffon over pink tulle en train, carrying a shower of white carnations. Following the matron-of-honor came the beautiful little flower girl, Dorothy Rice, sister of the bride. The bride then followed, looking on the arm of her brother, J. H. Rice, who gave her to the groom, who had arrived at the altar from the other aisle accompanied by his brother, Early Ewan, of Greenville, Ky., his best man.

The bride wore an elaborate gown of corded satin draped with marquisette en train, with trimmings of silver lace and pearls caught here and there with orange blossoms. Over all a cloud of tulle with a crown on her brow of orange blossoms and carrying a shower of bride's roses. She never looked lovelier than when she stood before the officiating minister to take upon herself the sacred vows.

After the benediction the wedding party passed by opposite aisles to the strains of Mendelssohn Wedding March to the outside, where automobiles waited to take the party to the home of Judge Rice. There Mrs. Ewan changed her beautiful gown for a lovely blue serge suit with picture hat, in which she was most stylish and attractive. From there the happy couple were hurried to Maysville to board C. & O. train No. 3 for a bridal trip.

The Public Ledger joins with the many friends of the happy young couple in wishing them every joy and happiness in life that is possible.

The wedding gifts were costly and numerous, running into the hundreds of dollars. One of the most beautiful was an exquisite chest of silver given by the county officials.

### OPERATED ON FOR APPENDICITIS

Hon. and Mrs. W. D. Cochran received word here Wednesday night at 7 o'clock that their daughter, Miss Ellen, who is attending school in New York, was critically ill with appendicitis. At 9 o'clock another telegram was received stating that a successful operation had been performed. Mr. Cochran left on C. & O. train No. 4 Wednesday night to be at his daughter's bedside. Miss Ellen's many friends in this city hope for her speedy recovery.

### "MOVIE" BIRTHDAY PARTY.

Friday, April 7, Master J. Barbour Russell, Jr., will celebrate his ninth birthday anniversary and in honor of the event his father, Mr. J. Barbour Russell has arranged for a theater party at the Washington theater Friday morning at 10 o'clock to which all of Master Barbour's classmates, the pupils of Miss Bessie Martin's room, are invited. The film shown on this occasion will be "Seven Sisters," featuring Marguerite Clark. This picture will be quite pleasing to the young folks and a good time is looked forward to by all.

David, son of Mr. Baker Wood, of Forest avenue, met with a very serious accident while playing Tuesday afternoon near his home. A number of boys had hold of a rope trying to pull it from each other, when Lloyd Means ran in with a knife and made a slash to cut the rope. David Wood at that time reached to get hold of the rope and the knife blade struck his hand, cutting a deep gash across the top of it. Dr. Taylor dressed the wound.

### HARRY SWEET FOUND GUILTY

The case of Harry Sweet, charged with seduction under a promise of marriage, came to a close Wednesday afternoon when a jury found him guilty of the charge and placed his punishment at from one to three years in the penitentiary. However, before court adjourned Sweet and the girl in the case were married by Rev. J. W. Shapson before the court, and it is understood that this will release Sweet from serving the sentence.

### MISSIONARY MEETING

Annual Praise Service At First Presbyterian Church Wednesday Night Pronounced Success.

The annual praise meeting at the First Presbyterian church Wednesday night in the interest of missions, was a pronounced success.

The beautiful lower auditorium was tastefully decorated with flowers and a fine quartet composed of Mrs. Harney, Miss Hales, H. A. Cochran and Dr. Harbison, with Miss Archibald at the piano, furnished music for the occasion. Mrs. Harney and Miss Hales both sang solos which were much enjoyed.

Mrs. Charles Wright presided with easy grace and dignity, announcing the numbers.

First came an impressive missionary exercise, "The Call of the Nations," in which Miss Florence Wilson and several young ladies in Oriental costumes, took part, with hymns interspersed by the choir.

The principal interest gathered about the address of Miss Hannan, who in that very room four years ago had met the missionary Mr. Garbold, who induced her to offer herself to the board. She was sent to the Philippines, being assigned to the educational and music department. For this her complete music education and her singing capacity perfectly fitted her. She told of this work and of many of the peculiarities of the Philippines, describing also visits to China, Korea and Japan. In illustration of her much admired talk she had dressed Miss Leslie Worthington in the girls' costume of the islands, who then made a pretty addition to the entertainment.

Miss Taylor of New York, representing the church's Young People's Work of missions, then followed with a vigorous address, emphasizing the reality of missions and calling cases in the various fields of the wonderful work it is doing for humanity. She is being entertained while here by Miss Mary Ester Hoeftich, and her delightful personality and graceful compliments to the Kentucky people were much appreciated.

The large audience then partook of a delicious luncheon of sandwiches and coffee served by the ladies. Many pastors and members of other congregations were present and contributed greatly to the occasion.

Mr. William Harrison is seriously ill at his home on Forest avenue, suffering with rheumatism and a disordered stomach. He is a brother of Congressman R. H. Harrison of Commerce street, and has been ill since last Friday.

A marriage license was issued at Paris Tuesday to Nathan Jackson and Miss Anna Root, both of this county, and they were later married by County Judge C. A. McMillan.

### SPRINGFIELD MAY GET EMMER SOON.

Frank Emmer, youngest Cincinnati Red and former third baseman for the Maysville baseball team, likely will be sent to the Springfield club in the Central League soon, says the Cincinnati Post. Emmer is a promising player and if he is placed with Springfield a string will be attached to him.

## CONSPIRING THE WEALTH OF GREAT BRITAIN.

When the Daily Chronicle of London, gives a prominent position to an article urging the conscription of the wealth of the United Kingdom it evidences the desperate financial needs of Great Britain, but it also can be regarded as an indication that the war will close during the present year.

The Rudyard Kipling suggestion of Great Britain's repudiation of its debts was one altogether foreign to the sentiments of the British people, for even the most radical Socialists of that country have a high regard for the promises to pay of the realm.

But this idea of the conscription of wealth is one that will find lodgment in the minds of many of the radicals of Great Britain harmonizing as it does, with the tenets already maintained by thousands of them.

The writer of this article, published March 30, who is said to be a well known British economist, suggests that the chancellor of the exchequer should make a special levy upon the wealth of the king dom, the percentage to be levied at say 1 per cent upon all amounts up to 5,000 pounds sterling, and gradually increasing until those possessing 100,000 pounds sterling in property of any nature will have to part with 10 per cent of it to the government. The writer of this article in the following sentences distinctly portrays the huge burdens which this war has placed upon the British people:

"Wealth can be taken in any form—cash, stocks or real estate—and can be sold if there is a market, or held if there is no market. Unless something like this is done our peace budgets will become crushing in their weight. With a debt of 10,000,000,000 pounds sterling, interest and sinking fund payments will be over 120,000,000 pounds sterling, pensions and other war charges 40,000,000 pounds sterling, making the probable annual cost of the budgets as high as 400,000,000 pounds sterling.

"Such budgets can be met, but only with certain hampering of national development and danger to the nation's position in the world."

Blackjacking a commercial competitor is proving very costly to Great Britain.

The competition of Germany in the world's market for the next century would not have been so costly in money to Great Britain as these two years of war.

And then the precious lives that have been lost by every belligerent country. This suggestion of conscription of all wealth is very apt to have great effect upon the thought of the landed, commercial and financial class of the kingdom. They will soon try to find some way to end the war before they are made subject to the levy.—Enquirer.

Washington advises us that the prices have fallen below those of last year. Very encouraging, indeed, but apparently the drop noted by the officials of the government has not yet reached these parts.

The frankness of Uncle Ike Sherwood in declaring that he is unable longer to follow the meandering footsteps of the leader of his party indicates that Sherwood is higher proof than Wilson.

A kid on a corner can see more in five minutes than an adult can discover in an hour of rubbernecking.

## CITY BOYS MAKE BEST SEA SOLDIERS.

Philadelphia, April 3.—Recruits from the large cities make the best sea soldiers, according to Sergeant Walter E. Carl of the local United States Marine Corps recruiting station.

"I am perfectly willing to concede that love for country has a larger meaning in the rural community than in the large city—that the rural youth is a better physical specimen and is more patriotic than the city fellow, but the recruit from the large town is keener, wider awake, and will more readily adapt himself to conditions as he finds them. Therefore he makes the best marine—especially in action."

Sergeant Carl has had years of experience in marine corps recruiting.

## DISMAL FOREBODINGS

(New York Sun.)

Somewhat. The Germans will sink another ship with Americans on it. And the Americans will be drowned. And Woodrow Wilson, the Great Procrastinator, Will attempt for the twentieth time To uphold the Rights of American Citizens. Whatever the cost. By writing to Berlin and saying in Brutal Words that The Act Must Be Explained.

Meanwhile the American People, Who are precisely the same as any Other people on the face of the earth, Being brave, timid, avaricious, Generous, kindly, fierce, tolerant, Pig-headed, revengeful and forgiving, will respond To a perfectly human impulse and Kick the nearest German Citizen in The Shins.

Then there will be war, and Many innocent and valuable persons will be Killed, some in battle and some in Volunteer camps, where the plumbing is bad. And there will not be Enough guns for the volunteers that Mr. Bryan will raise

Between Breakfast and tiffin, Nor officers to tell the volunteers which end of the gun

Should be presented toward the enemy And Congress, which may always be counted upon to do

The right thing at the wrong time, Will pass laws creating a nice, new standing army To replace the one that has been lost trying to defend Brooklyn, L. I. And we will be true to our traditions And blunder along from bad to worse, until the Enemy States the terms of humiliation and the

Ransom is paid. . . .

But will Congress suffer? No, No! Congress will be sitting upon the peaks

Of the Rocky Mountains, talking pork, and Woodrow Wilson

Will live to ripe old age, and will Always insist that he did His Presbyterian Best

To avert War, and will wonder vaguely

Why the people did not respect him President.

And he will say to himself in the privacy

Of his own severely upholstered Soul: "I am a misunderstood Man!"

## BIG REVIVAL MEETING.

In Germantown, Ky., there will be a basket meeting in connection with the big revival meeting at the M. E. church, Germantown, Sunday, April 9, the service to begin at 5 a. m. and continue all day. Rev. S. C. Crutcher, who has been laboring in revival meetings in Alliance, Oberlin, Salem, O., Buffalo and Rochester, N. Y., has returned to the state and is now engaged in meetings, assisted by Rev. E. Cross and wife, and Rev. Louis Robertson. Maysville citizens will remember the big tent meeting conducted by these colored evangelists last year, and of these large attendances and of the many souls saved. On December 4, 1915, Mrs. Cross had a light stroke of paralysis on one side and was near death three or four times, but through prayer and skillful help from two doctors, Herlick of Tollesboro, and Patton of this city, she is nicely on the mend and will likely take a part in the meetings next Sunday. It is expected that people from Tollesboro, Orangeburg, Maysville, Augusta, Washington and other places will attend. Those coming from Maysville, if the bus load is made up, will have a bus to pick them up at 9 a. m. at the bus stand, Second and Sutton streets, Sunday. The same bus will return to Maysville after service at night. All who expect to go from Maysville please call Mr. Earl Bass, Germantown, in order to know the number of persons to come. The round trip charge is \$1.

## FIRST DOSE ENDS INDIGESTION, HEARTBURN, OR GAS ON STOMACH.

The question as to how long you are going to continue a sufferer from indigestion, dyspepsia or out-of-order stomach is merely a matter of how soon you begin taking Tonaline Tablets.

People with weak stomachs should take Tonaline Tablets occasionally, and there will be no more indigestion, no feeling like a lump of lead in the stomach, no heartburn, sour risings, gas on stomach, or belching of undigested food, headaches, dizziness or sick stomach; and besides, what you eat will not ferment and poison your breath with nauseous odors. All these symptoms resulting from a sour, out-of-order stomach and dyspepsia are generally relieved five minutes after taking Tonaline Tablets.

Go to your drugist and get a \$1 box of Tonaline Tablets and you will always go to the table with a hearty appetite, and what you eat will taste good, because your stomach and intestines will be clean and fresh, and you will know there are not going to be any more bad nights and miserable days for you. Tonaline Tablets freshen you and make you feel like life is worth living.

## VIOLIN 100 YEARS OLD.

(Winchester Democrat.)

Probably one of the oldest and rarest violins in this state, and doubtless in the country, is a Stradivarius owned by Mrs. James Mason of Grassy Lick, Montgomery county. The violin is 100 years old and is highly prized by Mrs. Mason, who has owned the instrument many years. She has had many opportunities to sell the instrument for high prices, but has refused every offer. The violin is in good condition and possesses a sweet tone. On its back is the initial picture of a city, so arranged that the natural line of the wood forms the picture as well as one of an ancient violin and bow. At the end of the neck of the violin is the carved head of an Italian. Within the body of the instrument is inscribed "Anno 1516," and around the side is the following Italian quotation: "Viva felix Sylvius, Deo vi mortu a dulcis." When translated the quotation reads: "When living I lived in the woods, when dead I became a sweet sound of God." Then old violin was purchased in the city of Philadelphia many years ago and was originally owned by a family of musicians.

with an Estate gas range. You don't have any bother with a country fire. The gas flame is always ready, always completely under your control, and the cooking and cleaning are done so much quicker and better than with a coal or wood fire that the advantage of gas is quickly appreciated.

We have an extra fine mixture of sweet peas this year, and as we grow thousands of them, we know our business when it comes to Sweet Peas.

We pay as high as two dollars an ounce for our forcing varieties, but you do not wish that kind for outside planting we have an ORCHID FLOWERING mixture that we can sell you at 25 cents per ounce.

We also have the GRANDIFLORA varieties in separate colors if you wish them, and sell them at 15 cents per ounce.

The GRANDIFLORA MIXTURE is the best one for outside planting, as they do not grow too tall and bloom much better than any other variety.

#### DRYS WIN TERRITORY.

Detroit, Mich., April 5.—Late returns from the thirteen counties which voted on the local option issue Monday made certain that prohibition forces increased the area of dry territory in Michigan. Huron and Clare counties shifted from the wet to the dry column.

The prohibitionists retained all their counties where the question was before the people, Lapeer, Meigs, Roscommon and Wexford. The counties which retained their saloons are Delta, Iosco, Jackson, Lake, Manistee, Ogemaw and Schoecraft.

Lapeer county, which contains Lansing, the state capital, and which was considered the storm center of the election, gave the prohibitionists their largest majority, 2,415. The city of Jackson overcame a dry lead which the rural districts piled up and Jackson county stayed wet by 479.

Delta County, in the upper peninsula yielded the anti-prohibitionists their largest majority, something more than 1,000 votes.

Chicago, April 5.—Two hundred saloons were banished from down-state townships yesterday. The drys claimed a big victory. Their most important conquests were in the cities of Waukegan, where forty-six saloons were driven out, Moline, where fifty-one saloons were voted out, and Mt. Pleasant, where twenty saloons were affected.

The wets won a big victory in the city of Bloomington, regaining this town which went dry by a narrow margin two years ago.

#### PARDON DENIED HENRY YOUTSEY

Frankfort, Ky., April 5.—Henry Youtsey, convicted sixteen years ago of complicity in the assassination of Governor Goebel, late yesterday was refused a pardon by the state board of prison commissioners. The board is composed of three persons. Two voted against the parole.

Youtsey is the only prisoner among the six accused of complicity in the assassination who is serving a prison term. The others were acquitted or granted executive clemency.

#### GOOD OLD ROW IN CONVENTION.

Washington, April 5.—The present prospect of an old-fashioned Democratic row in Kentucky over the organization of the state committee and the state convention that is to be held in May grows more promising.

It is now persistently reported among members of the Kentucky Congressional delegation that Senator Beckham will contest with Governor Stanley for the honor of serving as temporary chairman and keynote orator of the state convention. This would mean a sharp division of the factions headed respectively by Beckham and Stanley and a lovely fracas.

Interest grew Monday when State Senator Tom Combs, Lexington, arrived here and called on Senator James, Representative Cantrill and others. Senator Combs, according to rumors, is to make the race for State chairman as the candidate of the Stanley faction against Rufus Vansant, Ashland, who is backed by Senator Beckham. Combs would not say anything for publication.

#### REPUBLICANS WIN VICTORY.

Kansas City, Mo., April 5.—George H. Edwards, Republican, was yesterday elected mayor of Kansas City over Henry L. Jett, Democratic incumbent. Democratic headquarters last evening conceded Jett's defeat, but gave no figures.

Yesterday's election, during which acting Chief of Police Thomas J. Flahine and James S. Lamsey and Fred A. Lamb, police commissioners, were sent to jail on charges of contempt of court was the most turbulent election Kansas City has seen in years.

Early in the day 500 men were arrested about the polls on various charges. Many of them, it was declared, had been wearing Edwards buttons and supporters of Mr. Edwards charged the arrests were made to prevent casting votes against the Democratic administration.

#### "THE BETTER WOMAN."

Love, jealousy, hate, remorse, repentance and final success struggle for supremacy in the thrilling photodrama "The Better Woman," which is to be shown on the Equitable program at the Pastime theater today. The rise of Kate Tripler from the rough environment of a western town through a web of intrigue and crime, to the place she wins by her heroism as the loved and honored wife of a successful engineer, reveals a wonderful example of how success follows patient effort, aided by an overwhelming love.

At the crucial moment she shows herself to be a better woman than the one the engineer was engaged to before he met Kate, and her final triumph makes a powerful appeal to the imagination.

#### PROF. BRADNER RE-ELECTED.

The many friends of Prof. J. W. Bradner will be more than pleased to learn of his re-election as superintendent of the Ashland public schools for a term of three years at a splendid increase in salary. The Professor writes his work is prospering and the Ashland people are backing him up splendidly.

Those who were in touch with the educational work of our city during the administration of Prof. Bradner will not be surprised to learn of the action of the Ashland Board of Education.

#### BARBERS TO TEST HUTCHCRAFT BILL.

Louisville, April 5.—Union barber shop proprietors of Louisville took steps yesterday to test the legality of the Hutchcraft saloon law which compels barber shops under the same roof with saloons to close on Sundays. Several test cases were instituted against barbers accused of having violated the law last Sunday. The claim is made that the whole Hutchcraft law is invalid.

#### REPUBLICANS GAIN IN CLARKSBURG.

Clarksburg, W. Va., April 5.—Practically the entire Republican ticket was elected here yesterday, according to incomplete returns. George H. Gordon, the present mayor, defeated Robert H. Phillips, Democrat, for mayor, by about 400 majority. Returns indicate that all the Republican candidates except one were elected to Council.

Lewis Kiwanowsky, 43 years old, who is living in Lexington, applied to County Judge F. A. Hullock for permission to change his name to the very American one of Lewis Clay. The desired permission was granted and the order so entered. Kiwanowsky obtained his final naturalization papers and was admitted to American citizenship October 12, 1896.

#### WHEN THE KIDNEYS FAIL.

Maysville People Have Found That Ill Health Follows

Do you ever feel that you simply can't go any further—that you must have rest from that lame and aching back—relief from the constant, dead-tired feeling—freedom from those stabbing, darting pains? Likely your kidneys are worn and tired and need help. The kidneys work night and day, removing uric acid from the blood and other waste created by expenditure of strength and energy. Naturally a life of unusual activity doubles the duties of the kidneys and in time the strain generally tells. Doan's Kidney Pills have brought new strength to thousands of bad backs and quick relief to weakened kidneys, so users say. Let them do the same for you.

S. O. Duncan, blacksmith, Flemingsburg, Ky., says: "I had severe backaches and my kidneys were out of order, their action being irregular. Hearing about Doan's Kidney Pills, I gave them a trial and was soon convinced of their merit. They strengthened my kidneys and back."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Duncan had. Foster-McIlburn Co., Props., Buffalo, N. Y.

#### BROWN MAY SIGN.

Huntington, W. Va., April 5.—That Hurt Brown, the premier shortstop of the Ohio State League, who played with Ironton last season, is ready to sign with Huntington was the announcement made yesterday by President J. H. DeArmond. The local leader said he had received word from the big short fielder who lives at Newark, declaring he will be here when the local stars report for training.

According to Mr. Bradley, Mr. McGlone is a poor man with a family dependent upon him and inasmuch as he has a position he will be allowed his liberty under bond until the next term of court, during which time he will be enabled to lay by something for his wife and family. Commonwealth Attorney Bradley in making the appeal for the continuance at the opening of the April term of the Circuit Court, said McGlone had paid all of the money he was alleged to have converted to his own use and urged that the continuance be granted in order to give the accused time to make provision for the care of his family.

### LOOK FOR IT HERE

One of our country friends was standing on the corner of Market and Second streets several days ago when he noticed a sign on the clothing house on the northwest corner reading "Squires, Brady & Company." He did not linger long on the street, but soon walked into the store and walking up to one of the clerks inquired: "Say, son, who is this Squire Brady who is running this store?" He thought it was Squire John Brady of the county.

It was in one of our local drugstores that the conversation turned to "clears," and the druggist, after a lively discussion, opened up his heart and also a box of "five-centers," and told one of the fellows to help himself. And the fellow did—he cleaned out the box. Now Bill is wiser.
